Ford Motor Company

Dear Mr. Connors:

Thank you very much for the  
copy of the address of Mr. Henry Ford II.  
I think his statement is an excellent thing,  
and his idea that increased production is the  
most important thing in the world today is  
certainly correct.

Thank you again and with  
best wishes, believe me,

Sincerely,

*RKN - Disposed*

Because of the transcendent interest in the current international situation, I thought you might want to read the enclosed address of Mr Henry Ford II.

Mr Ford made the talk, entitled "Production for Peace and Freedom", before the Automotive and Aviation Parts Manufacturers, Inc., in Cleveland on September 29, 1947.

Yours very truly,

  
J. F. Connors  
District Manager
